You Can Sponsor Hope

Join us in creating a lasting impact for young adults aging out of foster care. Your support helps provide safe housing, life skills, and a strong community for those stepping into adulthood without a safety net.

About The Open Door House

The Open Door House (TODH) is a supportive housing program for young adults ages 18–21 who have aged out of foster care or are experiencing homelessness. Through wrap-around services, we help residents build the life skills they need to thrive independently. **We provide a path of hope for young adults aging out of foster care to realize their God-given potential.**

Why Your Sponsorship Matters

For many young adults, turning 18 doesn't mean freedom—it means uncertainty. No safety net. No clear next step. Your sponsorship helps change that.

With your support, residents receive:

- Safe, stable housing
- Life skills training (budgeting, employment, education)
- Mentorship and community support
- Guidance to step confidently into independence

We offer a variety of sponsorship levels and benefits to help you find the perfect fit.
